

SIMPLY THE
PUREST, HEALTHIEST WATER

The Power of Ozone & Ultraviolet Water Treatment
From The World's #1 In-Floor Cleaning Systems Company

UltraClear
POWERFUL COMBINATION OF ULTRAVIOLET LIGHT AND OZONE

COMBINE ECO-FRIENDLY OZONE AND UV FOR POWERFUL OXIDATION AND DISINFECTION

Save on time and money with Clear O3 & Ultra UV

The powerful combination of Paramount's ClearO3 ozone oxidizer and Ultra UV ultraviolet sanitizer makes your pool cleaner, healthier, sparkling clear and dramatically reduces the amount of chlorine needed to maintain an adequate level of residual sanitizer saving you time and money year after year.

No harmful by-products, eco-friendly & family friendly

ClearO3 combined with Ultra UV minimizes your exposure to potentially harmful chloramines and other contaminants therefore reducing the potential for skin irritation, red eyes, discolored hair and swim suits, and bacteria borne illness. Chloramines have also been linked to asthma and other ailments. Ozone and UV effectively cleans your pool without any harmful by-products.

ClearO₃
OZONE PURE WATER

- Maximum ozone production with minimal impact to the pool equipment
- Single unit works effectively on pools up to 55,000 gallons
- No harmful by-products
- 2 year limited warranty

Powerful Oxidation to Keep Your Pool Always Swim Ready*

The ClearO3 creates ozone with a UV bulb specifically designed to excite ozone molecules to actively break down non-living waste products in the pool which combined with chlorine form unhealthy by-products that irritate the skin, eyes and have been linked to asthma and other ailments. The ozone enriched air is mixed with the water to continuously "shock" your pool keeping it sparkling clear and swim ready.

*A minimum residual level of chlorine or bromine should be maintained at all times.

A POOL THAT IS ALWAYS CLEAN, CLEAR & SWIM READY

A CLEARER, HEALTHIER, ALWAYS SWIM READY POOL USING UP TO 80% LESS CHEMICALS

A Powerful Combination to Continually “Shock” Your Pool and Kill 99.9% of Micro-organisms

The powerful combination of the Ultra UV's germicidal disinfection and ClearO3's oxidation processes kills 99.9% of micro-organisms for a clean, naturally swim ready, family friendly and eco-friendly pool using up to 80% less harmful chemicals.

An additional benefit is the enhanced level of water purification provided as the ozone infused water created by Clear O3 passes through the Ultra UV disinfecting chamber. This converts ozone into advanced oxidizers call Hydroxyl Free Radicals which play a key role in the oxidative destruction of organic pollutants such as pesticides.

Kills Crypto	Kills Giardia	Fungicide & Algaecide	Micro flocculent	Oxidizer	Improves water clarity
YES	YES	YES	YES	YES	YES

Germicidal UV Light for a Healthier Swimming Pool*

Paramount's Ultra UV Water Sanitizer provides an additional layer of protection beyond the capabilities of chlorine or salt based chlorine generators. Water circulates through the Ultra UV chamber and the UV-C lamp immediately inactivates 99.9% of micro-organisms such as Crypto, Giardia and algae which are resistant to chlorine. This provides a cleaner, clearer swimming environment with zero harmful by-products.

*A minimum residual level of chlorine or bromine should be maintained at all times.

UltraUV™
ULTIMATE UV WATER SANITIZER

- More effective than chlorine or salt based chlorine generator
- Up to 13,000 operating hours effective lifespan UV-C germicidal lamps
- Minimal maintenance
- 2 year limited warranty

MINIMAL MAINTENANCE WITH ANNUAL COST SAVINGS

World's #1 In-Floor Cleaning Systems Company

Paramount Pool & Spa Systems was founded in 1964 to research, develop and distribute pool and spa related products with an emphasis on automatic cleaning. Paramount has been a leader of in-floor technology for more than 50 years, when the company applied for its first in-floor cleaning patent in 1967.

All Paramount products are made in America and designed to make your pool experience the most carefree and enjoyable experience possible. Our cleaning and circulation systems will deliver superior results, while paying for themselves over the lifetime of the pool.
